7. Other important information to facilitate better understanding of the Company's implementation of corporate social responsibility (e.g., environmental protection, community participation, social contribution, social services, social welfare, consumer rights, human rights, and safety and health): (1) Employee rights and employee care: Please refer to labor-management relations in the business operation section of the annual report. (2) Rights of the shareholders: There is an open communication channel with banks, employees, consumers and suppliers, whose legitimate rights are respected and maintained. In addition, there is a spokesperson, deputy spokesperson, and litigation and non-litigation agent available for the Company. The Company provides shareholders with honest financial and business records to protect the rights of shareholders. The Company's transactions with subsidiaries follow strictly by "Administrative measures governing related party transactions" and "Procedures governing the monitoring and management of subsidiaries". (3) Environmental protection: In addition to following global design and manufacturing trends, responding to the demands of RoHS, HSF (Hazardous Substances Free) of the Company, and customers so as to ensure that the Company's products satisfy international standards and customers' requirements, the Company complies strictly with the Trash Clearance Act, Water Pollution Controls Act and Air Pollution Controls Act to protect environmental quality. (4) Community participation, social contribution, social services and social welfare: donations to social groups, participation in educational, welfare and cultural activities and implementation of corporate social responsibilities: I BizLink has sponsored aerospace R&D projects chaired by Professor Zong-Xin Wu from the National Chiao Tung University, and teamed up with students from NCTU Mechanical Engineering Department, Taipei Tech Electronic Engineering Department, and NCUT Department of Engineering Science from the Advanced Rocket Research Center (ARRC) since 2016. A total of NT\$ 200,000 was granted to create locally-developed satellite carriers in 2020. The Company will closely follow-up on the projects' progress, and provide professional assistance in signal transmission. II Sponsoring Kuroshio Ocean Education Foundation "Wales and Dolphins Protection Program" to protect marine ecology. BizLink sponsored the Hualien Cetacean Ecological Survey Project of the Kuroshio Ocean Educational Foundation in 2020 with NT\$500,000 to maintain the biodiversity of Taiwan's coastal areas. The Foundation conducted an ecological survey of cetaceans in Hualien, where cetaceans are mainly found, to build a cetacean protection zone in Hualien, so that cetaceans are protected from fishing and tourism activities, and to enhance the quality of life for wild cetaceans, so that people and cetaceans can live in harmony. The survey results are regularly submitted to the relevant government authorities every year to use as a reference in the formulation of policies related to the protection of marine biodiversity.
